Dear

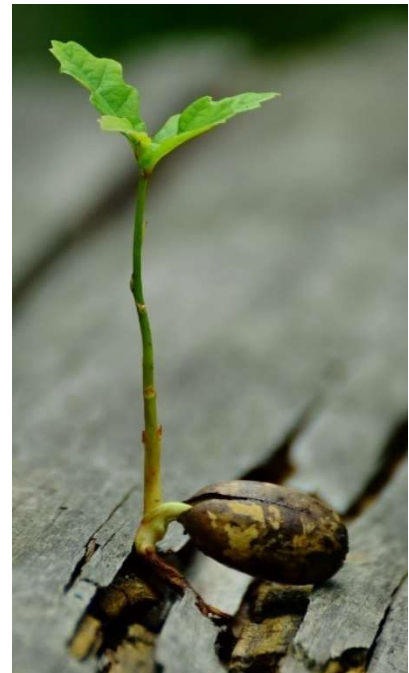

Thank you for your financial support in 2023. It gives me great joy each year to thank you for your contributions to our church.

This year's canvass theme is transformation. In our years at UCE, Karen and I have experienced many transformations. What transformations have you experienced during your time at UCE?

There are more transformations ahead. Your donation helps keep our church going so that we have a community where we can share our transformations. As our covenant says:

With love as our guide, we pledge to create a beloved community of peace and compassion... We agree to share the ministry of the congregation through our gifts of time, talent, and money.

Each March we talk about donations. I ask that you return a pledge form so that I can prepare the most accurate estimate possible for our annual budget. I hope we can count on your support again in 2024.

Thank you for your support. Thank you for your participation.

Thank you for helping the Unitarian Church of Edmonton transform!
