

**First Annual Chaplain's Report 2017 - Rev. Audrey Brooks**

The UCE board has signed an agreement with Audrey, designating her as volunteer congregational chaplain, who will visit those in our congregation who request pastoral care, including those who are sick, aging, or who would like conversation and support in difficult times. She will decide how to use her time in this matter, and will keep the church informed about important changes e.g. someone moving to a senior's residence.

Audrey will work with the Compassionate Circle when it is formed. She will have use of available space in the church for pastoral care, will have a \$500. Annual Pastoral Care budget, and will meet annually with a member of the UCE board to review her position and work.

Since November of 2016, Audrey had conversations with several UCE members in the Chaplain's Office, and with one other couple who came to UCE as an accepting church where they could process issues without experiencing judgment. In 2017, those who would like to book a pastoral care appointment with Rev. Audrey may do so by phoning her directly at 780-489-8842, or by email: [audbrook@telusplanet.net](mailto:audbrook@telusplanet.net).
