

Committee/Group Name: Glow-Getters

Purpose of Committee: Lighting and Energy Efficiency Task Group

Members: Karen Bilida, Scott Harrison, Andrew Mills, Mike Keast.

Major Actions of 2017-18

- Action 1
 - To take advantage of the Energy Efficiency Alberta Non-profit Savings Plan
 - Provides money to upgrade lighting and heating systems
 - Karen and Scott did an inventory of all church lighting
 - Contractors are quoting on potential lighting upgrades
 - Mike asking our heating contractor about furnace upgrades
- Action 2
 - Apply for the Alberta NEET grant for an energy audit for the church
 - This grant covers 100% of an energy audit for a non-profit building
 - Application has been completed

Outcomes Achieved

- Inventory of church lighting (including tenants' spaces)
- Quotes to upgrade lighting including available rebates
 - Looking to improve brightness in the sanctuary and the hall
- Applied for NEET energy audit funding

Planned Actions for 2018-19

- Complete an energy audit for the church
- Evaluate lighting and heating upgrades for the church

Recommendations for Board Consideration

- Funding request for lighting and heating upgrades (when ready)
