

Committee/Group Name: Religious Exploration Committee

Members: Marilyn Gaa, Audrey Brooks, William Adair (ex officio)

The purpose of the Religious Exploration Committee has been to support the Director of Religious Exploration in past years.

There are currently no active members of this committee and the committee did not meet in 2018-19. In past years, it was comprised of parents and members with professional teaching experience. There have been conversations with the DRE through the year, inquiring on how the program was going and asking if there were issues that a committee meeting might assist with. The DRE said that if we wanted a meeting he would cooperate but did not express any need or desire to do so.

Audrey Brooks and Marilyn Gaa are the only ones of the disbanded committee. Audrey spent an afternoon with Will sorting books and materials, and we both have volunteered in classrooms as needed this year.
