

May Theme: “What does it mean to be a people of curiosity?”

May 5

“Questioning Our Way to a Better World”

Chorealis

Curiosity makes us ask questions. Whether deeply personal or expansively global, our questions can be the catalysts to a better version of ourselves, our communities or our world.

May 12

“Where Do I Come From”

Rev. Brian J. Kiely, All Ages

A Mother’s Day service that looks at our basic curiosity about our origins as children and then as more thoughtful adults. Guest Musician: Maria Jenkins

May 19

“Divine Curiosity”

Rev. Brian J. Kiely

Many people have made their way to Unitarianism because they were dissatisfied when given pat answers about the existence and nature of God. But many of us are still curious. Is there a concept of the divine we can support?

May 26

“And in the Future”

Rev. Brian J. Kiely

My favourite question has long been “What’s next?” Where do we go from here? How do we set a course for sailing into the future?

MINISTERIAL MUSINGS

Excerpted from my annual report

The obvious central news of the year for me was the announcement of my 2020 retirement. It was a big decision, one a couple of years in the making. I want to thank the Board for their good faith negotiations around timing and other details. I also want to thank so many of you for your kind wishes and expressions of regret. It's nice to know that my work had value for many of you. Throughout my career here I have been blessed to work with Boards of good and caring people. This year's has been one of the very best. I have strong and optimistic feeling for the future of UCE as you begin this transition time. This church has always known how to manage its own affairs. Perhaps my biggest accomplishment was not interfering with that.

At the end of March, I attended a four day workshop for UU ministers contemplating retirement. It was entitled *Leaving well, Ending Strong*. It was time very well spent. One of the most important realizations I had was that, with my announcement, I have begun a kind of unofficial Interim ministry. Instead of thinking ahead with the congregational leadership, my immediate task is to try and tidy up before I go, to tie up loose ends and leave my successor few things to undo.

To that end we recently held a very productive conversation about worship with 15 people. Helping the congregation rebuild and reorganize its worship planning and production teams is a key task for this Spring and Fall. A secondary task will be to assist in strengthening our pastoral care efforts so that community is well organized to care for its members and friends and going forward. Add to that the provision of the normal day to day ministerial services and my final nine months seem to have clear direction. It is my intention to leave well and end strong. It's the best way for me to say thank you for over two decades of a career.

See you in church
Brian

WORSHIP ASSOCIATES PROGRAM

With Brian retiring in January 2020, UCE will be planning and managing its own services from February 1, through at least the end of August next year. In order to maintain a high quality of services we are organizing a Worship Associates Program. The scope of this team will include:

- ✚ developing ideas for services that reflect the diversity of interests in the congregation
- ✚ organizing guest speakers for some services in this period
- ✚ service leading
- ✚ choosing readings, music and other service elements

The best results come from a larger team. Some will want to lead, but others will just want to be part of the ideas and planning. There is room for everyone. There will be training sessions and an opportunity to work planning services with Brian through the Fall.

There will be a planning workshop following the Sunday, May 26th service at noon in the Sanctuary.

The next board meeting is scheduled for Wednesday, May 15, 2019 at 7:15. If you wish to speak on a particular topic, kindly contact the President one week prior to the meeting.

UCE ANNUAL GENERAL MEETING

– A Time to Celebrate Us

UCE is humming with activities and ideas. It's time to celebrate that and plan for more at our AGM on Sunday, May 5 at 11:45 am. At the meeting, we will:

- ✚ hear about the work of staff and committees
- ✚ decide how we want to allocate our budget
- ✚ elect new members to the Board, the nominating and ministerial relations committees

The decisions from this meeting will affect all of us, so it would be great to have all voices included in the discussions and decision making.

Everyone is encouraged to attend, and anyone who has been a member for 60 days may vote. A light lunch and childcare will be available.

If you have any questions about the annual general meeting, please speak to a board member.

See you on Sunday, May 5!

If you would like to examine the proposed budget, committee reports, and the committee and board nominees, please visit: <http://www.uce.ca/agm-agenda-and-items-2019/>

UU HISTORY VIDEOS: "LONG STRANGE TRIP"

We now own a series of videos called "Long Strange Trip" looking at the history of Unitarian Universalism. Brian will screen two of the hour long pieces, one on May 12th. Part 1 is entitled "In the Beginning..." about the ancient roots of Unitarianism and Universalism during the birth of Christianity. The second is called "The Birth of Unitarianism" about our institutional origins during the Reformation. Bring a lunch if you like.

RELIGION ON TAP

Religion on Tap is our monthly social/theological chat. It will be Tuesday, May 28th at 7 p.m. at Metro Billiards, 10250 106 Street at 7 p.m. These are informal gatherings where we socialize (anywhere from 3 to about 15 people) and have a religiously themed discussion that runs from 5 minutes to an hour depending on interest. Brian Kiely leads and all are welcome. Everyone (over 18) is welcome.

SUMMER SERVICES AT UCE

Every summer, we open up opportunities for members and friends of the Unitarian Church of Edmonton to lead Sunday church services. We need to fill about ten services in July and August. A service leader guide is provided to help you with all the core elements of a typical church service, but the topic and theme of the service is yours to choose and develop. Contact John Pater, johncpater@gmail.com or 780-619-6843, to sign up for one of the summer services; please provide your preferred date(s).

🌹 HEART TO HEART 🌹

Watch this column for details of a couple of forthcoming weddings, names of newborn babies, and life changes for members of our congregation. Contact Rev. Audrey if you have information to share in Heart to Heart. audbrook@telusplanet.net

🌹 So many changes happening in our church, a reminder to support our beloved community by actively listening to each other. We have many opinions and concerns that need to be heard. Come to the UCE AGM to participate whether we are new to the church or members of many years.

🌹 On March 31, Annabelle Bourgoin died at the age of 83. Annabelle was a teacher and librarian for the Edmonton Public School Board for over 35 years, as well as being an avid reader, knitter, puzzler and gardener. Her memorial will be held at UCE on May 19, at 2 p.m.

🌹 On Thursday, April 11, Julia Mills, beloved mother of Andrew Mills died. A gifted musician who played both organ and piano, a director in many churches, and a positive, happy presence in the world. Her Memorial service will be held in Ottawa on Saturday, June 29. In lieu of flowers, Donations may be sent to the Alzheimer Society of Canada.

🌹 On April 13, at the age of 91, Marnie Sproule, beloved mother of John Sproule died. Marnie was a graduate in Art History, she was an accomplished potter, all over of gardens, books, photography and walking. She devoted her life to the passions of her children and to her many relationships. Marnie was a woman of tremendous grace and strength. Her memorial will be held on June 7, 2019, at the Unitarian Church of Edmonton. Memorial Donations can be made to a charity one is passionate about.

🌹 Hal Simons, brother of Morris Simons, a member of this church, died on the 10th of April. Hal was dedicated to his family, also played piano and often sang at Rosedale Manor. We send condolences to his family.

🌹 Louise Charach is having lung surgery on May 2. She is very optimistic about this procedure, and thanks all of us from the bottom of her heart for our support.

🌹 Brian Kiely had a successful pacemaker implant last week, and is feeling like his old self. Sending best wishes from our congregation, Brian!

🌹 On Sunday, April 21, the youth of UCE led the service on "Wholeness" given by Rev. Brian Kiely. It is a credit to Will Adair, Maria Jenkins, Erica DeNeve and volunteers of the Religious Explorations team that our youth are taking their place in church services, as they grow in potential at UCE. Congratulations to Violet Slevin, Lily Kiely, Ayla White, Alex DeNeve, Na Harder and Elora Kiely, future leaders whose talents we support.

🌹 "Our Mission is love, our race is humanity and our faith is in each other", Rev. Audrey Brooks 🌹

SHARING OUR ABUNDANCE

In May, the UCE will share with Youth Empowerment and Support Services, Edmonton has been providing support, programs, housing and resources to youth who are lost, abandoned without a place to turn for over 35 years. Over 60,000 meals are served annually to this high needs group. YESS needs 6 million annually to stay up and running and one half of that amount comes from donations.

FRIDAY MAY 3 UCE WILL BE AT QUEER PROM!

Dragging Youth and UCE will be sharing an information table at Queer Prom. The Youth have already been making buttons and Shrinky Dinks charms and more to give away at Prom. Watch for people wearing the newly created UCE art.

You can sign up to help the good people organizing Queer Prom too:

April's Activities of the Social Justice Working Group

The social justice crew has been busy this month planning for our upcoming service on April 28 to welcome the new Aboriginal Spirituality banner. This event will begin with a pipe ceremony in the park at 9:00am, and will be followed by a Soup Sunday feast. Everyone is welcome to this important service.

March 31 marked Transgender Day of Visibility. Members of our congregation made signs supporting our Trans friends and posed for pictures with them following the service. Special thanks to our UU youth for embracing this celebration!

Social Justice has now taken over administering the Food Bank program. We're looking for volunteers; the commitment is for 90 minutes on any Wednesday night. This is a perfect opportunity, especially, for parents to encourage their kids to participate in community service. There is a sign-up sheet in the church lobby, or you can just drop in.

Thanks to your generous donations, we continue to cook for the SMILE Sidewalk Parties outside Hope Mission on Sunday nights. We are able to bring soups, hot casseroles, cookies and muffins to share with our friends downtown.

The UCE Social Justice committee meets on the 2nd Sunday of each month following the service. Everyone is welcome to attend a meeting, see what we're up to and join in the fun!

The Unitarian Church of Edmonton is a liberal, multi-generational, religious community. We celebrate a rich mosaic of free-thinking, spiritually-questing individuals joined in common support and action. We welcome diversity including diversity of beliefs from divine believers to humanists, from pagans to atheists and agnostics. We believe in the compassion of the human heart, the warmth of community, the pursuit of justice and the search of meaning in our lives.

We gather with gratitude on traditional Cree lands that are now a part of Treaty Six and shared by many nations. A treaty is an inheritance, a responsibility and a relationship. May we be good neighbours to one another, good stewards to our planet and good ancestors to our children.
