### \* SERVICE LEADERS WANTED

You can pick a topic and lead a service!

A service leader guide is provided to help you with all the core elements of a typical church service, but the topic and theme of the service is yours to choose!

Contact John Pater, [johncpater@gmail.com](mailto:johncpater@gmail.com) to sign up for one of the remaining summer services (Aug 4<sup>th</sup> or 18<sup>th</sup>)

**Chorealis Potluck** - To continue our connections, we are getting together for a barbecue on Thursday July 18<sup>th</sup> at the home of Marilyn and Jim Gaa. Their address is 9318 Edinboro Road (ph 780-432-7660). Bring something to barbecue, something to share, and whatever you like to drink on a summer evening. Also bring your own dishes and cutlery and a lawn chair if you can. **This event is open to anyone from the congregation who would like to join us.**

## Some of our Church Newcomers: Make Them Welcome

**Brenda Cottle** is a retired schoolteacher who heard about the UU church from some Seattle friends she met on a trip to Mexico. She started coming to our church last August and is now a member. She and her husband moved here from Vancouver 10 years ago. Brenda is looking forward to being part of our community and meeting likeminded friends.

**Mikey Mudry** started coming to our church when his girlfriend Oksana told him about this great group of people that get together on Sundays for a service that's open to anyone with a positive attitude and which is a community-based faith. He keeps coming back because of the people and themes each Sunday which speak to him. Mikey's job is driving locomotives moving rail cars from an electric company.

**Alec Moorji** (he/him) is a Registered Nurse and Board Member of the EMHC, a grassroots Queer Health Organization in Edmonton. Alec started attending the church in December 2018, hoping to fill a gap spiritually and to begin fostering community connections with folks from all walks of life. Alec has 2 children that join him at church most Sundays and at home he has 2 cats and a puppy. In his spare time, he enjoys taking his puppy to the dog park and spending quality time with his kids.

**Rhonda Jessen** grew up attending the Lakeshore Unitarian Church in Montreal. She is a recent settler in Edmonton and Treaty 6 territory, but she has lived in Alberta for about 20 years. She started attending Sunday services at UCE in early 2019 and appreciates how welcoming everyone is. Rhonda is a former teacher who now supports student engagement at Alberta Education.

## Flower Communion Service Gallery on June 2<sup>nd</sup>

*"Each of us is a flower, with a delicate beauty uniquely our own. We may be like sunflowers, turning always towards the light..."*

*...May we offer our beauty with the simplicity of flowers, expecting no recognition, hoping for nothing, giving out of what we are, and knowing it is enough."*

## Genocide Memorial Service

Members of all faiths and ethnic groups are invited to participate in the Genocide Memorial Service

Representatives from Christian, Jewish, Muslim, First Nations and other faiths are invited to tell us how genocide affected their people. Prayers, songs and readings are interspersed throughout the program.

Inscribed memorial stones along with their stories will be presented to the audience. Later, they will be placed in a memorial garden at 9916-154 Street, where they can be viewed. The stones witness, honor and name those who died violent deaths because of wars, racism, gender identity, greed, religious persecution, slavery, ethnic cleansing and appropriation of Indigenous lands.

Genocide is unacceptable. There are ways to resolve conflict other than mass destruction of human beings in the name of politics, greed and exploitation of resources. Powerful killers still incite hate, and carry out intentional attacks on populations to take resources, destroying communities and lives. The stories of loss and grief cause by the denial of human rights will be heard and recognized at this service.

Albert Einstein said, "Peace cannot be kept by force, it can only be kept by understanding...all my life I have hated war; it is the greatest curse of man's history. It comes from absolute ignorance, absolute greed, and absolute cruelty...some paths a man takes cannot be retraced. Some acts cannot be undone."

Please let me know if your group can attend. The service will be over an hour long, and is followed by a pot luck lunch. The theme of the service this year is "We are all family." If your group would like to share a song, poem or dance that represents your culture, we would be blessed to have you participate.

## UNITARIAN RALLY FOR CHOICE

In June, members of UCE and the Raging grannies attended the Pro-GSA (gay straight alliance) and Pro-Choice rallies at the Alberta Legislature Grounds.

We hope that you will join us next time, please watch the newsletters and Facebook for upcoming events!

Unitarians for social justice aim to reduce poverty and economic injustice, discrimination based on religious, racial or other grounds, abuses of human rights whether of individuals or peoples, and abuses of democratic process.

UU's promote peace and security, environmental protection, education, and literacy in keeping with the spirit of Unitarian values.

The Social Justice committee will be meeting again in September; all are welcome to attend any or all meetings.

## SHARING OUR ABUNDANCE

The Unitarian Church of Edmonton (UCE) donates half of the loose cash collected each Sunday to a different charity. This summer we will be donating to:

July - CENTRE TO END ALL SEXUAL EXPLOITATION (CEASE), Edmonton works with community partners to heal the harm of sexual exploitation which includes public education, support, bursaries, trauma recovery and emergency poverty relief.

August - BOYLE STREET CO-OP, Edmonton is a non-profit, inner city agency which assists individuals and families challenged by homelessness and poverty. Each year they help over 12,000 people. They provide health care, mental health and addictions support, housing, employment counseling and drop in services.

## Welcome to UCE - An Accessible Place

We take pride in the easy access to our facility on many levels and we are always trying to improve our welcome.

### Social media allows for even more accessibility.

There are many people that can not physically make it to our building but we still want them to feel included in our community. Social media allows many people to be able to participate with us and keep up on UCE and UU news.

Changes to Facebook this year have made it very hard for pages to reach the people who have liked them, much less new folx.

We need your likes and comments to get Facebook to see our posts as important to their algorithm. Shares are great, too, if you think your friends might appreciate seeing them.

We appreciate your participation, whatever form it takes. We don't have a huge budget for paying to get posts seen, so we count on you all to spread them.

## 🌹 HEART TO HEART 🌹

On Friday, June 7th, at UCE, a memorial service celebrating the life of member Marnie Sproule was held. There were many interesting family stories about Marnie. This quiet person, who did not draw attention to herself, was something of an Everywoman with multiple talents and a great love for everyone who came through her door. She was nurse, potter, lover of the arts, hiker, gardener, parent & photographer, who also had a look in her eye and a lifted thumb that made her point and kept both adults and kids in fine order.

Our UCE Wiccan group celebrated the Summer Solstice at the Sunday, June 23rd service. Thanks to Ali Hammington, Gordon Ritchie and all of the volunteers who helped make it happen. The 11th annual Genocide Memorial Service will happen on Sunday, July 14, in the sanctuary of UCE, starting at 10:30 a.m. There will be a potluck lunch after the service. This is a scent free event.

A senior's message: "If ever the need arises and I am living in a senior's home, please come and see me when you can. Sit and talk with me awhile, or share with the recent news. Call me on the phone if you can't stop by, I'd love a chat, and it would just make my day. My biggest enemy is often loneliness, after the busy life I led even though I make new friends, it's my former life I miss the most."

"Our mission is love, our race is humanity, our faith is in each other."

Rev. Audrey Brooks, Interfaith Chaplain, UCE

The Unitarian Church of Edmonton is a liberal, multi-generational, religious community. We celebrate a rich mosaic of free-thinking, spiritually-questing individuals joined in common support and action. We welcome diversity including diversity of beliefs from divine believers to humanists, from pagans to atheists and agnostics. We believe in the compassion of the human heart, the warmth of community, the pursuit of justice and the search of meaning in our lives.

We gather with gratitude on traditional Cree lands that are now a part of Treaty Six and shared by many nations. A treaty is an inheritance, a responsibility and a relationship. May we be good neighbours to one another, good stewards to our planet and good ancestors to our children.
