

This year's canvass ended on Sunday March 29th, but there are still a couple of days in April to submit a pledge until we close off our numbers.

[If you have not pledged yet, then do it now with this link please.](#)

We prepare our canvass plan in November, launch canvass in the January newsletter, send out letters to our donors with their tax receipts in February, and then speak in church every Sunday in March to get people to pledge. As a member of this church it is part of your commitment to pledge your financial support to the church.

Once March is done, we tally the pledges, complete the acknowledgements, add in any monthly donors that forgot to pledge, and then call anyone that we missed. By the end of the first week in April I sit down and figure out an estimate of next year's donations based on pledges. If canvass is successful, then we will have enough income for next year's budget. If canvass comes up short, then we may have to pull out the budget and make cuts.

As I write this newsletter article, I do not yet know what the final canvass amount will be. I will report the final amount to you at the AGM on May 3rd.

Thank you to everyone who submitted their 2026 pledges.
